[Shelton Outline Nov 27 SJR Trib Settlement rough v1a.doc](#)

Hi All,

I've put in writing my outline for DFG's Presentation (attached). I'll be at the SWRCB Workshop 3 on Tuesday and Wednesday and be in Sacramento Tuesday and Wednesday nights. I'll have my laptop to work on my powerpoint for our get together on Thursday, but expect it to be very rough still. On our Agency Coordination Call today, Rhonda and Roger said they will set up both a webEx and conference line if you can't make it, but the more eyes on the slides the better.

(double check to see if I missed anyone on the list above.)

Thanks,

John M. Shelton
